

KEVIN SEBASTIAN

Kerala, India | +91 9400845839 | kevin02@gmail.com | [LinkedIn](#) | [GitHub](#)

PROFESSIONAL SUMMARY

- Enthusiastic and self-motivated Computer Science graduate with hands-on experience in web development using Angular, HTML/CSS, and TypeScript. Familiar with back-end integration using Node.js and Express.js, and basic database handling with MySQL and PostgreSQL. Strong problem solving mindset with experience working in Agile teams during internships. GATE 2025 qualified and passionate about clean code and building user-focused responsive applications. Open to relocation and continuous learning in fast-paced environments.

TECHNICAL SKILLS

- **Languages:** SQL (MySQL, PostgreSQL), Python, C, JavaScript, TypeScript, HTML/CSS, Node.js
- **Database Tools:** MySQL Workbench, pgAdmin, Firebase
- **Frameworks:** Angular, Bootstrap, Express.js
- **Developer Tools:** Git, Postman, VS Code, Doxygen, Sprint (Agile), Vim
- **Support Tools:** Configuration Management, Log Analysis, Incident Management, Ticketing Tools (Redmine, JIRA)
- **Monitoring/Debugging:** Logs, System Metrics, Performance Analysis
- **Platforms:** Windows, Linux (Ubuntu), GitHub

EXPERIENCE

Frontend Intern (with Backend Exposure)

Mar 2024 – Mar 2025

WYND Technologies Pvt. Ltd.

Kozhikode, Kerala

- Developed frontend features using Angular in a collaborative team working on a full-stack application.
- Integrated existing backend APIs into the Angular frontend to fetch and display dynamic content.
- Used Postman to verify and understand API responses, ensuring proper integration with frontend components.
- Assisted in identifying and troubleshooting integration issues between frontend and backend services.
- Coordinated with backend developers and used Sequelize ORM indirectly through API interactions.
- Tracked progress and bugs using Redmine in an Agile Sprint-based workflow.

Software Intern

May 2023

John Soft Technologies LLP.

Kannur, Kerala

- Built a task monitor in C using Qt Creator on Linux for process tracking.
- Practiced documentation with Doxygen and debugging in Linux environment.
- Explored Linux file systems, shell, and command-line tools.

PROJECTS

Film Finance Platform | Angular, Express.js, Sequelize, PostgreSQL

- Contributed to a financial management tool tailored for film productions as part of a collaborative team project.
- Developed and styled responsive UI components using Angular.
- Integrated frontend with existing backend APIs built on Express.js and Sequelize ORM.
- Used Postman to understand API structures and validate request-response cycles during integration.
- Assisted in analyzing backend logs to support debugging of frontend-backend data flow issues.
- Worked in an Agile environment using Redmine for task tracking and sprint management.

Weather App | JavaScript, HTML/CSS, OpenWeather API, GitHub Pages

- Built a responsive weather web app using vanilla JavaScript that fetches real-time weather data.
- Implemented city autocomplete using geocoding API to improve user experience.
- Styled the app for mobile responsiveness using HTML and CSS.
- Deployed the application via [GitHub Pages](#) (API key disabled in public version; live data unavailable).

Task Monitor (Linux Desktop App) | C, Qt Creator, Doxygen

- Developed a basic desktop utility to display real-time system processes using C and Qt Creator on Linux.
- Designed a simple GUI and implemented core logic for process tracking.
- Practiced software documentation using Doxygen and explored debugging in Linux environment.

EDUCATION

Government Engineering College

B.Tech in Computer Science and Engineering (CGPA: 8.18)

Wayanad, Kerala

2021 – 2025

Chavara Public School Pala

Class 12, CBSE (96.2%)

Pala, Kerala

2019 – 2021

ACHIEVEMENTS

LEADERSHIP

GATE 2025 Qualified

- All India Rank: 19312, Score: 364 (General Category Cutoff: 29.2/100)

ISTE CSE Forum Head

Government Engineering College

2022 – 2023

Wayanad

- Led peer coding sessions and workshops on DBMS and problem-solving.
- Coordinated coding events and served as student mentor.

Class Representative, Music Club Executive, Tech Fest Volunteer

Government Engineering College

2021 – 2025

Wayanad

- Served as liaison between students and faculty.
- Managed music events and supported IEEE Tech Fest activities.
